FOR IMMEDIATE RELEASE

HEAD START CHILDREN PLANT FLOWERS DONATED BY PROVENCHER'S

Lewiston, ME (June 12, 2007) – Children at Androscoggin Head Start and Child Care's Coburn Center recently planted flowers at the front entrance. Provencher's Landscape and Nursery, located at 299 River Road in Lewiston, generously donated enough flowers to fill the two raised beds on either side of the front stairs. The children had fun digging in the dirt, discovering worms, and smelling the flowers. For more information about Androscoggin Head Start and Child Care, please call 795-4040 or www.AndroKids.com.

Photo Attachment: (Top to Bottom) Alexis, age 3, Maida, 5, Amal, 4 and Megan, age 5 had a great time planting flowers donated by Provencher's Landscape at Androscoggin Head Start's Coburn Center.
